The Navigators Bible Reading Plan

“The Bible reading plan that I have used more than any other over the years.”
John Piper

The Navigators Bible Reading Plan offers special features that will aid you in your journey through the Bible.

- You can begin at any point during the year.
- You'll read from four portions of the Scriptures every day—two from the Old Testament, two from the New Testament—which will help you better grasp the unity of the Scriptures.
- You can adapt the plan to meet your needs. For example, you could read the Gospels and the Wisdom books this year and the other two categories next year.
- Each month has 25 readings, giving you several “grace days” to catch up if you fall behind or to use in other ways, such as to memorize a Bible passage or revisit a passage you found particularly meaningful.

In the year ahead, ask God each day to speak directly to you as you read each passage from the Scriptures. Be expectant, and let your continual exposure to God's Word reshape your attitudes and behavior as you gain a better understanding of every part of His written testimony to us.

The Navigators Bible Reading Plan was first published annually in *Discipleship Journal*. It is often referred to as the *Discipleship Journal Bible Reading Plan*.
